I'd like to reserve a group table for the following people:

- | | |
|---------|---------|
| 1 _____ | 2 _____ |
| 3 _____ | 4 _____ |
| 5 _____ | 6 _____ |
| 7 _____ | 8 _____ |

You may reserve a table for your group, if paid in advance. Group tables seat 8 people only, and you may share a group table with friends. To avoid confusion, we'd like to have one person complete the form and be responsible for collecting money for the group table. Then, we'll assign place settings with names of each guest so you can assure you'll all sit together. If you only have 2-6 people who want to sit together we can do this as well, however we will sit other people at your table.
